ENCOUNTERS**

**IMMERSIVE
EXPERIENCES**

THEY TALK ABOUT IT BETTER THAN WE DO!

2

“It allows us to leave land
and plunge into the sea!”

Enzo, aged 9

March 2022

“A veritable dive into the underwater
world. This is an incredible site. The
staging is really well thought-out. So
much diversity! This is an exceptional
aquarium. Bravo.”

Hervé, aged 45

February 2022

“We were awestruck by the new
Great Tank. A really agreeable moment
with the family.”

Peggy, aged 41

October 2021

“An incredible family outing with
some lovely activities, along with fun
exhibitions on global warming.
An amazing success story, a relaxing
and instructive moment!”

Marie, aged 34

July 2021

"JOURNEY ON THE HIGH SEAS" TOUR

MARVEL AT THE GREAT SPECTACLE OF THE OCEAN...

Live an unforgettable experience around the largest aquarium in Europe that reproduces Malpelo Island off the coast Colombia. Admire the spectacle of the Ocean and set out to meet breathtaking species such as grey sharks, the manta ray, sparkling shoals of fish and much more besides!

Discover all the beauty and immensity of the Ocean and see the extent to which its preservation is essential for the future of Mankind...

A GREAT 7M-HIGH FAULT

AN 18M-LONG TUNNEL

A GREAT BAY-WINDOW, 5M HIGH AND 30M LONG

NEW EXPERIENCE 2022: GRAND LARGE The giants of the High Seas in Augmented Reality

Set out to discover the High Seas, so little-known and inaccessible, and meet the majestic animals that inhabit it, thanks to an augmented reality system - unique in the world - in one of Nausicaá's most fascinating spaces: the great bay with a surface area of 100 sq.m!

Get close to these giants of the seas without further ado and understand the impact that human activities have on their territories and daily lives... The High Sea is everyone's common good: let's do all we can to protect it!

Wearing a set of Microsoft HoloLens 2 smart glasses that augment your vision thanks to animal holograms with unrivalled definition, live an immersive, sensorial and spectacular experience in the heart of Nausicaá.

Booking required at the Nausicaá information point - Subject to availability - Length of the experience: 10 min

DIVE INTO AN IMMERSIVE EXPERIENCE IN THE HEART OF THE CLIMATE MACHINE AND DISCOVER YOUR POWER: THE POWER TO ACT!

Hurricanes, melting ice-caps, rising sea levels... Prepare to go on a spectacular voyage through the heart of the effects of global warming that will take you on a journey of discovery to meet our colony of African penguins and their immersive 430 sq.m of exhibition space with floor-to-ceiling screens. As you leave this immersive exhibition, see that solutions do exist for preserving the environment and living in a more ecological way!

"IN THE EYE OF THE CLIMATE" TOUR

Nausicaá and its Endowment Fund are also committed to raising funds to support SANCCOB's initiatives, and promote them to inform and raise the awareness of as many people as possible regarding the protection of African Penguins.

"MANKIND AND SHORES" TOUR

Don't miss out on the sea-lion show when you visit Nausicaá!

Every day the team looks after their physical and mental well-being by proposing a variety of activities as the day goes by. For their health, they undergo medical training that consists of asking them to let us handle them to brush their teeth, listen to their heart beat, treat any small injuries they may have, or even take an X-ray or ultrasound scan!

EMBARK ON YOUR FIRST TOUR OF THE WORLD'S SEAS!

Going from the North Sea, to the Mediterranean, the Tropics, the Californian coast... This journey will help you understand how Mankind and the Oceans cohabit and create their future together...

You will see a unique biodiversity there, distant ecosystems, not to mention the many services rendered by the sea to Mankind.

ENJOY A PERSONALISED EXPERIENCE

Discover the activities that will allow you to organise your day to the best!
